

GLAS*MARK RAIL MARKINGS

Werner's Glas*Mark rail marking, offers fiberglass ladders with logo, name, or identifying marking permanently impregnated within the rail construction. This rail marking process can reproduce your company name or logo in a repeated pattern, every 19" or 38" along the ladder's rail

Glas*Marked ladders discourage theft because they identify your company.

Order Procedure

For brand new Glas*Mark orders, please use the following steps:

1. Provide your company’s logo artwork in .jpeg or .pdf file format to your distributor to forward on to Werner’s customer service department.
1. A document containing your company’s logo, as it will appear on the rail, will be produced and then submitted back for approval.
2. Once approved, expect new order shipments to take approximately 6 to 8 weeks to account for new Glas*Mark order setup, new printing dies to be produced and lead times for manufacturing.

If you have any questions regarding this new custom Glas*Mark policy, please feel free to contact your distributor or Werner’s customer service department at any time.
